## Bell Ringer

### 1) Week 1 Vocabulary Part A

I have used 5 vocabulary words in a sentence. Use the context clues in each sentence to remember the definition and write it down. NO NOTES!

1. Sally **aspires** to be a veterinarian. She works very hard to be able to accomplish her goal.
2. The violin **virtuoso** played the most beautiful music I've ever heard. He really is the best when it comes to playing the violin.
3. George Washington's **legacy** is the story about chopping down the cherry tree in which he could not tell a lie. We all remember that story about him and pass it down.
4. Can you believe my 15 year old brother thought he could drive without a license or even a permit? That one **lapse** in judgment is going to cost him everything.
5. The mother **dispersed** the candy and treats among her children's stockings. She made sure everyone got something.

For any definitions you can't remember, you may now either look it up in your notes or ask a friend. You must stay in your seat, so talk to the people around you.

Time's up! Make sure you have your name and heading in the top left hand corner of the page. Turn your half sheet into the tray on Ms. Romito's desk that has the number of your period.
